Wand of Polymorph

DDAL07-13 Old Bones and Older Tomes

This slender, foot-long length of gray stone is unremarkable. The attuned owner has fits of restless sleep --where the owner's nights are filled with wonderful dreams of soaring above the canopy on wide, feathered wings; burrowing among the roots of immense trees with wide, thick claws; and the other goings on that jungle critters seem to enjoy so much.

Wand, very rare [requires attunement by a spellcaster]
