FORTUNE GLORY
A FIASCO ADVENTURE!

WRITTEN BY:
RYAN MACDONALD
There's an entire world of ancient civilizations out there to study and discover. There's even more money in it if you find the artifact of your career. But remember that guy you screwed over in Tunisia 10 years ago? He's here. Holding a gun to your back, determined to take the prize you risked your life for.

NEEDS...

1 TO DO THE RIGHT THING...

...And Preserve History.
...Because It Belongs In A Museum!
And Keep The Artifact From Unleashing It's Power.
...For Mein Fuhrer.
...And Restore Your Family's Honor.
...To Get Laid In The Process

2 TO GET RICH...

...And Gain Fame and Glory No Matter the Cost
...Because You're Sick of Being Poor
...By Selling Off This Possibly Holy Trinket You "Found"
...By Stealing Everything Out From Under The Team
...By Producing Low Quality Fakes And Selling Them at a High Price
...Of your promise to give it back, since you don't have it anymore.

3 TO GAIN ULTIMATE POWER...

...And Prove Something to Your Dad
...By Turning The Ancient and Mythical Powers of The Artifact on The World
...By Calling Upon The Great One
...Purely by Accident
...And Make Them Love Me Again
...By Besting Your Rival

4 TO GET REVENGE...

...On The Person Who Jilted You
...On The Theif Who Stole Your Homeland's Precious Artifact
...By Taking Back What's Rightfully Mine
...On That Jerk Who Keeps One Upping You
...After 25 Long Years
"For that shit you pulled in Croatia!"

5 TO GET OUT...

...Of The Museum's Back Pocket
...Of This Godforsaken Country
...Of The Relationship
...Of This One-Sided Partnership
...Of Your Parent's House...AGAIN
...With The Artifact, The Girl/Guy, And An Army of Bad Guys On Your Tail

6 TO...

...Bestow Great Power On Myself and My Leaders
...Reunite My Family With A Lost Heirloom
...Uncover The Truth About The Dwarf Skeleton In Your Study
...Discover The Truth About Your Lineage
...Protect The Artifact
...Find The Artifact First, Damn Anyone That Gets In Your Way
