Key monsters and NPCs from the Rise of the Runelords Adventure Path come alive on your tabletop with the Pathfinder RPG Rise of the Runelords Pawn Collection, featuring more than 100 creature pawns for use with the Pathfinder Roleplaying Game or any tabletop fantasy RPG! Printed on sturdy cardstock, each pawn presents a beautiful full-color image of a monster or NPC from the Rise of the Runelords campaign, including goblins, dragons, giants, ogres, and dozens of unique NPCs also suitable for representing player characters. Designed for use with the Pathfinder RPG Bestiary Box, each cardstock pawn slots into a size-appropriate plastic base from that collection—making them easy to mix with traditional metal or plastic miniatures—and supplements that set's creatures, together providing pawns for nearly every Rise of the Runelords encounter. With multiple pawns for commonly encountered foes and tons of distinct creature images, the Pathfinder RPG Rise of the Runelords Pawn Collection brings the enemies and allies of Pathfinder's original campaign alive like never before!

The enemies and allies of the Rise of the Runelords Adventure Path surge to life on your tabletop! Each has its own identification number for easy sorting. The Rise of the Runelords Pawn Collection includes:
