**General note:** Witchbreeds were originally constructed using Explorer's Edition rules. All Witchbreed abilities should be replaced with the versions presented here, if using SWADE.

**Page 49**

**Step 2B** 12 points for skills instead of 15.
Receive core skills at d4 as Innate abilities (Athletics, Common Knowledge, Notice, Persuasion, Subterfuge)

**Step 2C** Remove Charisma Secondary Statistic

**Shade Witchbreed Package (SWADE)**

**Fear:** Power (Fear)

**Limited Presence:** Attribute Penalty (Strength –1)

**Out of Phase:** Skill (Subterfuge d6), Parry +1

**Phasing:** Treat as Burrowing, though they do not leave a tunnel behind and may pass through any inanimate object. While Phasing, Shades can perceive but not interact with the physical world, except for powers and their weakness.

**Unnatural Aura:** Unchanged from Accursed.

**Hindrance:** Minor Weakness to Salt (+4 Damage suffered, even when Phasing)

---

**Spectral Constitution**

Remove this Edge.

**Spectral Chill of the Grave**

Treat this as the Power (Damage Field) Edge, using the Shade’s Focus skill and Power Points from the Power (Fear) racial ability.

**Spectral Camouflage**

Treat this as the Power (Invisibility) Edge, using the Shade’s Focus skill and Power Points from the Power (Fear) racial ability.

---

**Vargr Witchbreed Package (SWADE)**

**Insatiable Hunger:** Dependency (Raw Meat)

**Bestial Form:** Remove “The Vargr’s Charisma suffers –4”. Otherwise unchanged from Accursed

**Lupine Senses:** Low Light Vision

**Natural Weapons:** Bite

**Hindrance:** Minor Weakness to Silver (+4 Damage suffered)

---

**Athletics**

Disregard this section. Athletics is presented in SWADE.

**Subterfuge**

Subterfuge now combines Stealth and Thievery (instead of Lockpicking). It is a core skill, so characters begin with a d4 in Subterfuge.

**Removed Skills**

Accursed adventures rarely include Boating, Driving, and Piloting. We continue to recommend that GMs discourage players from spending points on these skills for their characters, but it may be worth keeping them.

**Knowledge Skills**

The skill list presented previously in this document addresses Knowledge skill replacements in SWADE. There is no Language skill in Accursed.

---

**Jingoistic**

Replace the last two sentences of the first paragraph as follows:

A character taking the Minor version suffers a –2 to Persuasion checks among individuals of other cultures. The penalty increases to –4 for the Major hindrance.

**Obligation**

Replace with the version presented in SWADE.
Weak Willed

Replace “Tests of Will” with “Smarts or Spirit based Tests.”

**Golem Stage 2: Acceptance**

*Replace the Effect as follows:*
The Golem gains +2 Toughness, but attacks using the Golem's Weakness inflict double damage.

**Mongrel Stage 2: Acceptance**

*Replace the Effect as follows:*
The Mongrel gains the Beast Master Edge, with a pet that corresponds to one of the Accursed's implants. The Mongrel can no longer increase Spirit beyond its current level.

**Ophidian Stage 1: Acceptance**

*Replace the Effect as follows:*
The Ophidian suffers a –1 to Persuasion checks, but gains a +2 bonus to all Fear checks.

**Revenant Final Stage: Acceptance**

*Replace the Effect as follows:*
The Revenant gains Dependency (Human Flesh). The Revenant can now compel any dead creature within 25 feet to answer one question. The answer is limited by the creature's intelligence and its ability to communicate when it was alive.

**Shade Stage 1: Acceptance**

*Replace the Effect as follows:*
The Shade receives a +2 bonus to use the fear power. However, the Accursed suffers a –1 penalty to all Persuasion checks.

**Shade Stage 2: Acceptance**

*Replace the Effect as follows:*
When Phasing, the Shade may now pass through completely solid objects.

**Shade Final Stage: Acceptance**

*Replace the Effect as follows:*
The Shade's physical form becomes inherently separated from physical reality and she becomes permanently Ethereal. Her form strengthens such that she receives a +2 to Toughness, and she is so far beyond the concerns of the body that she does not suffer from disease or poison. She must make a Vigor roll (–2) to interact with the physical world, including speaking, except for using powers. When exposed to salt or salt water, the Shade incurs a –2 penalty to all Trait tests and damage-causing powers with a salt Trapping or weapons coated in salt now cause double damage.

**Vargr Stage 1: Acceptance**

*Replace the Effect as follows:*
The Vargr now suffers double damage from attacks inflicted by weapons made from silver. Lupine Senses now also gives +2 for smell-based Notice checks.

**Golem Stage 2: Defiance**

*Replace the Effect as follows:*
The Golem no longer suffers from its Weakness. In addition, the Golem gains +1 bonus Benny at the beginning of each game.
**Mummy Stage 1: Defiance**

*Replace the Effect as follows:*

The Mummy loses the Hideous Visage power. The mummy becomes vulnerable to called shots.

**Ophidian Stage 1: Defiance**

*Replace the Effect as follows:*

The Ophidian loses its Venomous Bite and its Cold-Blooded racial traits.

**Ophidian Final Stage: Defiance**

*Replace the Effect as follows:*

The Ophidian acquires the ability to use the beast friend power at will against any snakes the Accursed encounters. The character uses Spirit to make the test, per the No Power Points setting rule. The Ophidian also gains +1 bonus Benny at the beginning of each game.

**Revenant Stage 1: Defiance**

*Replace the Effect as follows:*

The Revenant loses its Overriding Goal racial trait.

**Revenant Stage 2: Defiance**

*Replace the Effect as follows:*

The Revenant loses the Minor Weakness to Cold Iron and its No Vital Organs traits. The Revenant gains +1 bonus Benny at the start of every game.

**Shade Stage 1: Defiance**

*Replace the Effect as follows:*

The Shade loses the +1 Parry from the Out of Phase trait but may turn off the Unnatural Aura racial trait at will.

**Shade Stage 2: Defiance**

*Replace the Effect as follows:*

The Shade loses the Minor Weakness to Salt and the Power (Fear) racial traits.

**Vargr Stage 1: Defiance**

*Replace the Effect as follows:*

The Vargr loses the Natural Weapon, but may now go two days between servings of raw meat, per the Insatiable Hunger dependency.

**Gorge Wolf**

*Replace Tracking d10 with Survival d10*

**Leech-Men**

*Replace Skills as follows: Athletics d6, Fighting d8, Notice d8, Subterfuge d8*

**Vampire, Morden**
